Foreword

Since we are not fairly well settled in our new school, and well adjusted to our new routine, we have taken time to sit back and realize the importance of good training in influencing youngsters from kindergarten to the final senior year in high school. These are the formative years of our lives and each habit we form has an effect upon our entire future.

The background we have obtained in preparation for either higher learning or other enterprise, is due, to a large extent, to our high school years. It is impossible, even now, for us to realize fully, in any measurable way, the appreciation for this training which will steadily grow upon us as we mature. History, mathematics, science, business, and the arts are all of great import, as preparation, by this training. to the future. However, it is in the field of language, literature, and grammar that the foundation of all our other subjects were laid.

Our horizons are broadened more extensively through literature, our powers of expression and communication are heightened through the study of languages, and our minds are made more flexible, and our thinking more logical, through the study of grammar. The basic principles learned in this field are the most important to us throughout life, since we represent ourselves most surely in the manner in which we express ourselves.

IN DEDICATION

The 1956 Centralian is gratefully dedicated to Mrs. Williams, who has dedicated so much of her time to her students.

We hope in a small way, to show our appreciation for her kind and gracious assistance to us in many difficult tasks throughout our high school years.

Mrs. Williams, who graduated from Allegany College, began her teaching career in Erie, Pennsylvania. Later, she entered the Celeron Branch School, and has for twenty-nine years been with this system, teaching English and Latin.

For twenty-seven years, Mrs. Williams has been senior advisor, and is, at present, advisor for the junior class.

In past years, she has directed the Senior Play, and has spent much time on the Celoron year book.

Six years ago, she was awarded a life membership in the Celoron P.T.A.

We respect and admire Mrs. Williams for her sincerity, her professional spirit, and her ingenuousness. From her example, we have learned much. Mrs. Williams has been one of our guiding stars, and we truly wish to show our gratitude.

Good Counsellors. . . . . .

Mrs. Dorthy B. Connelly

Mrs. Dorothy B. Connelly, Supervisor of the Third Supervisory district, retired this year after a lifetime of service dedicated to the schools of Chautauqua County.

Mrs. Connelly's experience encompassed all phases of education from the one-room rural school to the modern streamlined edifices of today, but her sound judgment and keen sense of humor helped her take every change in her stride.

At a testimonial dinner, given in her honor at Southwestern on January 31, scores of those who had been friends and admirers of Mrs. Connelly's gathered from all over her district. They came to pay tribute, and recall dozens of incidents, often of a humorous nature, which will long remain warm memories of this fine woman both as a supervisor and as a friend.

Perhaps one of the fondest memories of those at Southwestern will be the one concerning the fearless Mrs. Connelly and the weather. Like the United States mail, "Neither snow, nor rain, nor heat, nor night" stayed the intrepid Mrs. C. "from the swift completion of appointed rounds."

We all value our acquaintance with Mrs. Connelly and wish her many years of pleasant retirement.

SENIOR CLASS

As we, the graduating seniors of 1956, passed through the portals of last September, we were determined to make our last year of high school one we will never forget. Our extremely profitable and busy year was largely possible because of the untiring efforts of our hard working officers under the very capable leadership of Elowyn Penhollow. In our president's absence Gail Marsh took charge of the meetings with Wendy Williams keeping the minutes and Norma Davis handling the funds. Our secretary and treasurer have indeed had a great deal of experience having held the same office since their sophomore year. Thomas Flynn, Georgia Bosko, and Lois Jones were representatives to the Student Council and Kay Bird, Sally Gross and Wendy Williams were on the assembly committee.

We started our senior year off with a bang by operating the refreshment stand at Packard Field during the football season. Due to the outstanding class spirit and the many improvements made in the set-up of business, it proved to be a very lucrative enterprise. During the basketball season, we sold programs which were complete in every detail with score cards, cheers, schedule, and players. We also held several dances after the basketball games all of which were termed successful.

One of the most memorable events was the prom "Neptune's Gardens," which we proudly presented in honor of the Junior Class. Judy O'Neill headed the prom committee and was assisted by many members of the class. On June 9th we were in turn presented with a formal prom by the Junior Class. We all enjoyed ourselves to the fullest extent and wish to thank the Juniors.

A big dance was held on April 13th for the benefit of the organ fund. We were proud to turn over a considerable amount towards this worthy purchase.

Our last month of school was busy with the exchanging of personal cards and with last minute preparations for graduation.

We wish to take this opportunity to extend our sincerest thanks to each member of the faculty and administration who so unselfishly gave us of their time and devoted effort to better prepare us for our future years. An added note of thanks is extended to our senior advisors, Mrs. Kistler, Mrs. Chase, and Mr. Harp.

Thespians, All!

We knew Harvey was here long before his "Big Night" because he left his hat and bow in the corridor.

SENIOR PLAY

Our class play, "Harvey," by Mary Chase, was a rousing success due to the excellent casting and superb directing of Mrs. Mary Kistler. Since "Harvey" is so well known on Broadway, the enthusiam of the public was tremendous.

The plot of the play centered around the rabbit companion of the lovable eccentric, Elwood P. Dowd, who would rather be friendly than successful.

To save face before her friends, his sister attempted to have Elwood committed to Chumley's Rest, only to be entered as a patient herself. The plot thickened when the rabbit became a reality even to the doctor.

The success of the play would not have been possible without the untiring efforts of Mrs. Edith Helgren and her art department; and the close cooperation of the entire class.

JUNIOR CLASS

Our activities began this year under the very capable leadership of Kathleen Erb, with Ronald Burstrom taking over in her absence. Donya Warner submitted the minutes and Willard Hern handled our finances. Sarah Farnsworth, Eileen Wetzen and David Lange were elected to the student council. Our assembly representatives were Ruth Olstrom, Donya Warner and Judy North. Judy Heald was given the job of reporting class progress.

One of our most important projects began in October when we decided to change the design of our class rings. Rather than the traditional ship associated with Lake Chautauqua, we now have the trojan head. Most of the members of the class felt the trojan head better symbolizes our school. With this change made, we all waited with eager anticipation for the arrival of the rings.

On February 11, we were honored by the Senior Class at the Annual Senior-Junior Prom, "Neptune's Gardens." Music was furnished by the Mello-Tones.

We hope the Seniors know how much we appreciated all the hard work they put into making it a night we shall always remember.

On March 9th, we presented the comedy, "Connecticut Yankee, in King Arthur's Court," which was directed by Miss Pauline Lopus. It was greatly enjoyed by all and was termed highly successful.

To add to our finances we held a dance after the Fredonia and Falconer Basketball games.

Our big, big moment came on June 9th when we presented the Seniors with the formal Prom given annually in their honor. The class of 1957 worked hard to leave the Seniors many fond and pleasant memories.

A great honor was bestowed upon our class when Eileen Wetzen was chosen as the Herman Kent Post, American Legion Auxiliary's representative to Empire Girl's State at Skidmore College, David Lange was chosen by the Lakewood Memorial Post and Jack Matthews was chosen by the Herman Kent Post as representative to Boy's State at Colgate University.

At last we are in senior high school! For the first time we are able to count as our homerooms and classrooms those rooms in the senior high wing in the west end of our new building; one step closer to our ultimate goal. The first event to take place toward making the year a profitable one was the election of officers. Chosen to lead the class were: Paul Romer, *president;* Bruce Bradford, *vice-president;* Maxine Gardiner, *secretary;* and Marcia Warlow, *treasurer.* Representatives to the Student Council were Frank Brink and Gary Braun. Roy Christy, Janet Siggins, Janet Jones, and Shirley Carlson were elected to the assembly committee.

In spite of busy schedules, the sophomores have found time to participate in such organizations as Varsity Band, Varsity Chorus, Senior High Dramatic Club, Stage Club, Future Nurses' Club, and Future Teachers' Club. Because of the lack of clubs in the junior high school last year, these activities were doubly welcome, making for a more interesting and well-balanced program. We also found time to hold a dance in the school cafeteria in March under the guidance of our advisors, Mrs. Watson, Mrs. Strenge, Mrs. King, and Mr. Hanson. It proved to be enjoyable to all who attended, and profitable to our class treasury.

Freshmen: Surrounded By Boundless Horizons

As freshmen, we are on our way to functioning as a senior-high group, although, because of the size of our class, we do not all meet at once. Allen Stranigan was chosen as president of the class, and Sandra Thor acted as vice-president. Barbara Foote represented the class as Secretary Reporter. To care for the financial status of the class, James Johnson was elected.

Each homeroom had a staff of officers to keep the entire class informed of its activities. Homeroom teachers were Miss Cook, Miss Jones, Mr. Weiss, Mr. Calamungi, and Mr. Smith; ready and willing to help the freshmen with their many problems.

The class has had time for such activities as "S" Club, Baton Club, Girls' Intramurals, Glee Club, Band, and Orchestra. The freshman football and basketball teams were well known for their valor. The Junior High Student Council has done much to make the activity period a busier one for the junior-high students.

To raise funds for the class debt we held a banquet, its committee headed by Cortland Kelsey. A dance was also held for the entertainment of the entire class.

Pupils of the eighth grade were divided into five homerooms: those of Mrs. Jones, Mrs. Rhodes, Miss Young, Miss Forche, and Mr. Restivo.

Officers and representatives for the separate homerooms were Mrs. Jones: Roberta Carlson, Sharon Erickson, Theresa House, Linda Mellor, Mary Magnuson and Loraine Pearson. Mrs. Rhodes were: Susan Hegsteart, Jack Knowlton, Sharon Adnerson, Barbara Delson, Sharon Faney, and Jack Overbeck. From Miss Forche's room were Rogar Erb, Jack Kench, Kay Schroeder, Mary Kaye Hamilton, Sandra Bailey, James Gruel.

Miss Young's Room: David Hyde, Dick Greenley, Lynda Fuscus, Pat Miller, Peter Dawson, and Dennis Ball. Mr. Restivo's room: John Ratzel, William Mombert, Punkie Hough, Leigh Yates, Cindy Darrow, and Jerry Miller.

In memory of Mrs. Dennison's deceased father, several books were dedicated to the library in his name.

The class also held a spectacular costume Halloween Dance in the cafeteria. Linda Stillwell was chosen queen of the dance and Peter Dawson was king.

Opportunity Is Open For All

Seventh grade students have been placed in the homerooms of Mrs. Burk, Mrs. Deuink, Mrs. Ulmer, and Mr. Erb. Each homeroom elected a president, vice-president, secretary, treasurer, student council and assembly committee representatives. The presidents and treasurers from the homerooms met and chose Laraine Bell as presiding officer and Margaret Harrison as the treasurer of the entire class.

Each homeroom completed a project to raise money for the class funds. Mrs. Deuink's group sold Christmas cards while Mrs. Burk's students sold note paper bearing a sketch of the school.

Basketball pencils were again sold by Mrs. Ulmer's room. With a portion of the money raised by Mr. Erb's homeroom, books were purchased for the enjoyment of the class.

After reading the well known, "A Christmas Carol," a play was written and presented by the students themselves, under the direction of Mrs. Deuink. Her homeroom managed the library for the seventh grade this year, assisted by a member of the Future Teachers' Club. Each member of the class has had an opportunity to assist in the library. The class has also kept a scrapbook of the year's activities.

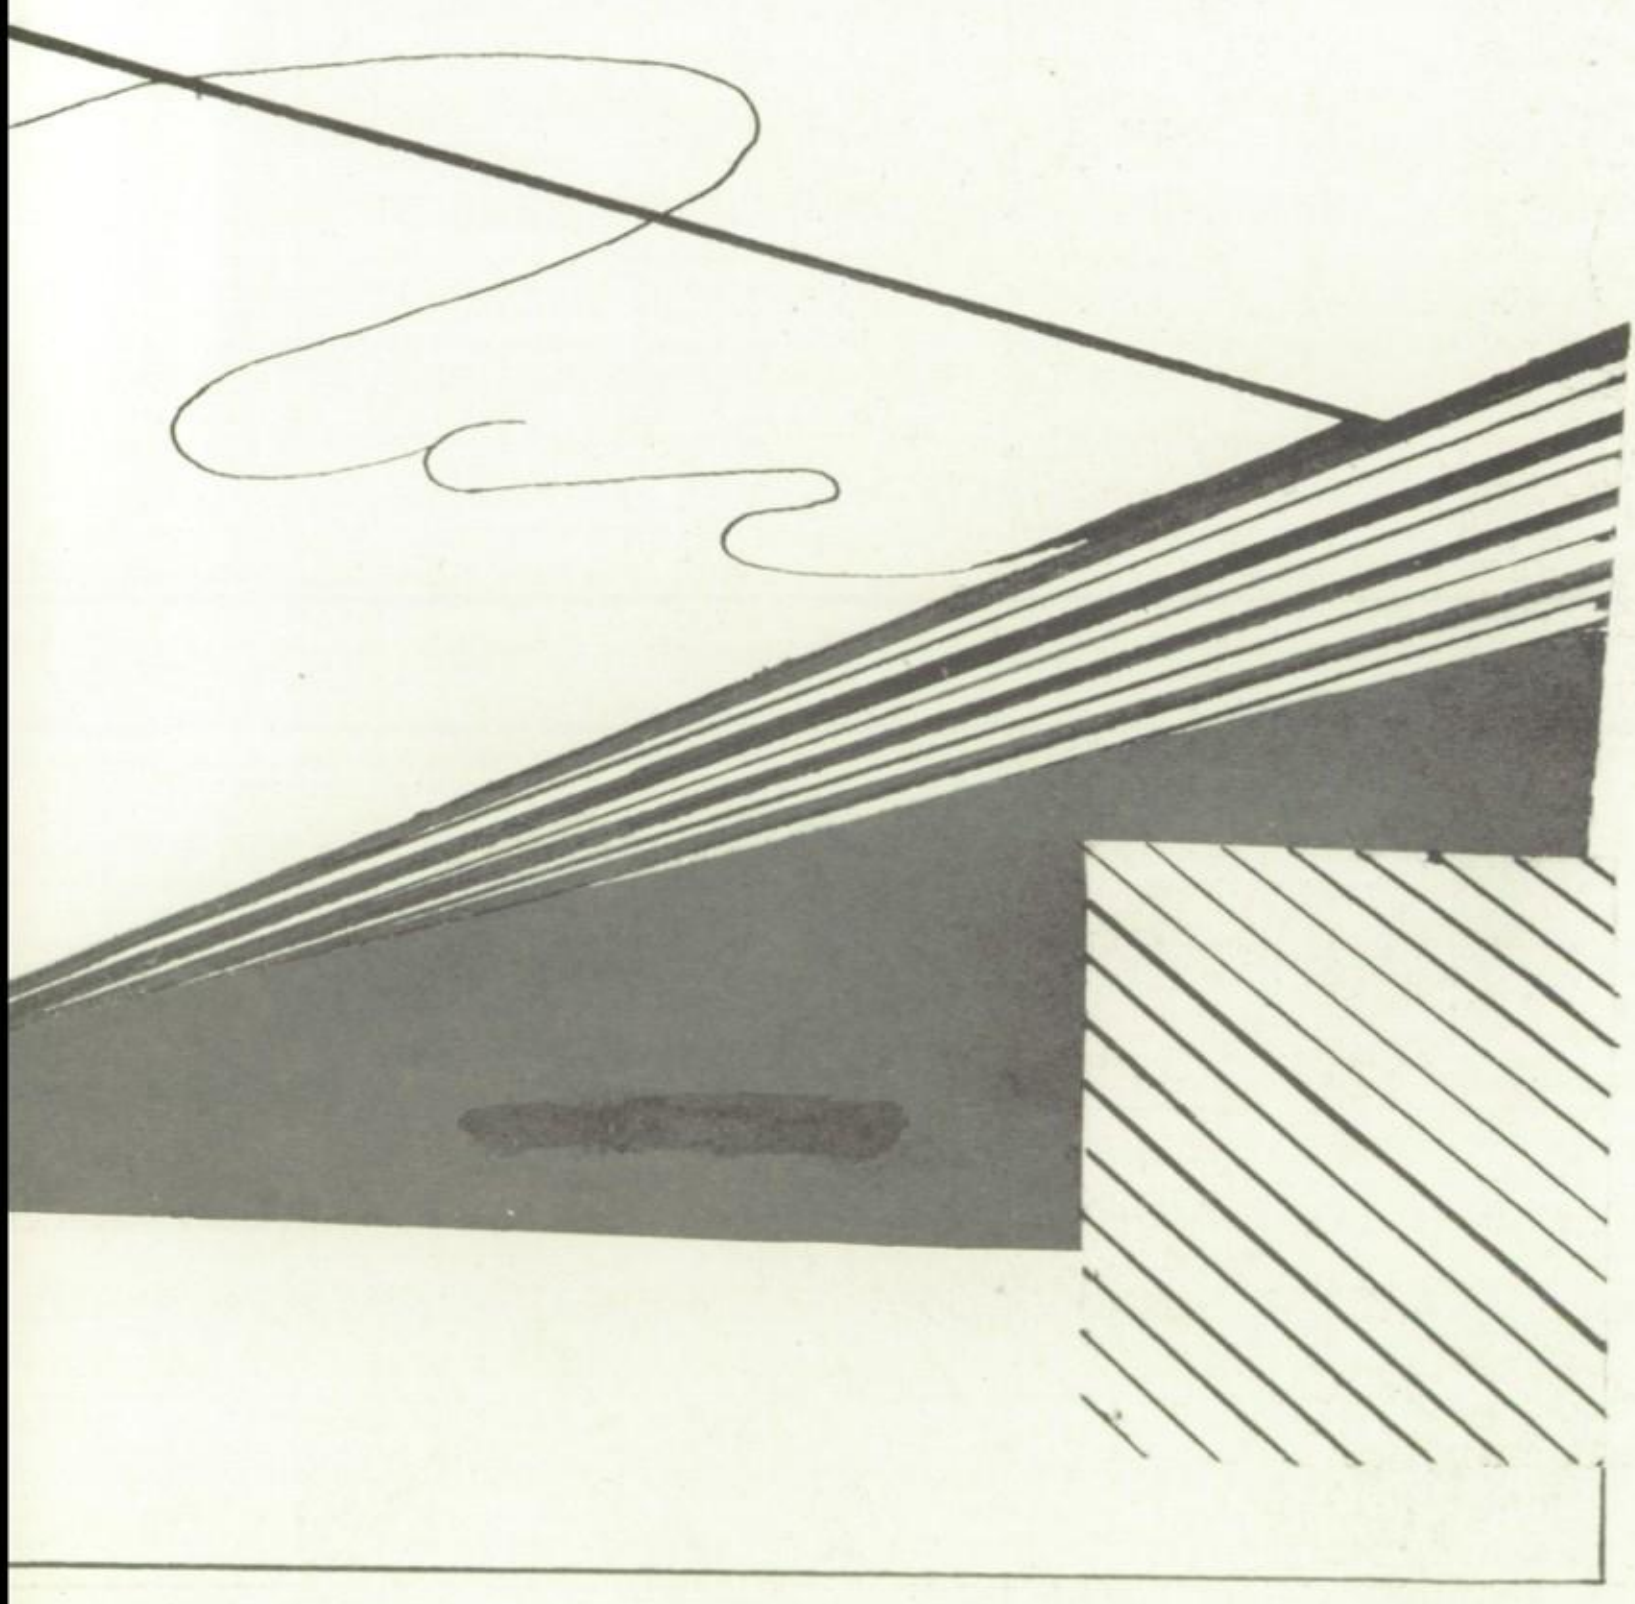
ACTIVITIES



Gentle Guidance and High Ideals

SENIOR HIGH STUDENT COUNCIL

1955 - 1956 has provided many opportunities to the members of our organization to prove beneficial to the school. Under the able guidance of Mr. Irving Miller, we have formulated several plans for ameliorating conditions in the school. Our activities have been very numerous. We instigated a Courtesy Week, which we hope will become an annual affair. We also obtained permission from the office to play records in the cafeteria during the lunch period. We initiated a system of passing to the cafeteria, so that each room alternates at being first in the lunch line.

After Mr. Miller left our school, we called upon Mr. Harp to assist as our advisor. In February, we sponsored a "Variety Show" with the assistance of Mr. Turner, the music department, and the Assembly Committee, for the benefit of the Organ Fund. Acts were auditional from the Junior and Senior high school, and at separate assemblies, the acts were chosen to participate in the evening performance. The show was a great success.

JUNIOR HIGH STUDENT COUNCIL

Junior High Student Council has been very successful this year. With the help of Mr. Restivo, we organized a Student Council Court, with four judges and a Chief-Justice. Some of the cases presented pertained to running in the halls, fighting, and improper cafeteria conduct. The accused took their sentences without question, and usually were reformed enough so that they did not return. Some of the functions of our Council are to encourage cooperation, uphold the principles and policies of the school, to serve as mediators between faculty and students, and to insure proper cafeteria conduct.

In February a dance, "The Organ Ball," for the Organ Fund was held.

This year's officers were: James Gruel, *president;* Barbara Foote, *vice-president;* James Johnson, *secretary;* and Mr. Restivo, *Supervisor.*

Music. . Art of Angels. . . . .

The Music Department at Southwestern is rapidly growing, and will soon provide some of the busiest centers of activity in the school. New organizations have been formed, and new instruments and activities have been introduced. Congratulations go to Mr. Edward Turner, Head of the Music Department and Mr. Richard Corbin, musical instructor for their fine efforts.

VARSITY CHORUS

Another busy year passed for the varsity chorus. Directed by Mr. Corbin and accompanied by Nancy Hendler, the chorus participated in the Fall Concert. Among the selections were some from Rodgers and Hammerstein's "Oklahoma."

A Christmas program was presented for the Lakewood Kiwanis. The last of March, the group sang for the Lakewood Women's Club, and a Spring Concert was presented in April.

The operetta, "The Fortune Teller," music by Victor Herbert was presented April 6, with a very fine cast.

A senior, Nancy Hendler, has done excellently in accompanying the chorus her four years in high School. Her absence next year will be sorely missed.

GIRLS' GLEE CLUB

Late last October, under the direction of Mr. Turner, a Girls' Glee Club was organized. The Club met every Wednesday, accompanied by Jean Sampson. The girls' chorus made four public appearances. They performed in the Christmas Assembly, the Variety Show and the Spring Concert. They also competed at the Festival of Music at Fredonia.

JUNIOR HIGH CHORUS

Mr. Corbin directed and accompanied the Junior High Chorus. Much of their practice time was spent in learning the origin and principles of early and modern music. The Junior High Chorus performed at the Christmas assembly, the Mid-Winter Concert, and the Spring Concert.

SENIOR BAND

A very fine group, excellent programs were presented by the Senior Band. This year's group was often led in their practice sessions by two of the students, Nancy Hendler and Ken Schneider, to assist Mr. Turner. The band played a well-rounded performance in the Fall Concert.

JUNIOR BAND

A very industrious group, the Junior Band completed a busy year. A program presented in the Fall Concert and the band again performed for the Mid-Winter Concert.

As a part of the Spring program the band will spend a day at Ashville School, putting on an assembly in the afternoon for the students.

ORCHESTRA

At last Mr. Turner's long time desire to conduct an orchestra in the school, has been fulfilled. Made up almost entirely of junior high students the orchestra has played for nearly every assembly throughout the year.

The orchestra includes four first violins, five second violins, four violas, three cellos, three bass viols, and a piano. The brass section consists of two trumpets, one trombone, one bassoon, two clarinets, two flutes, and one French horn.

They made their first public performance at the Mid-Winter Concert.

MADRIGAL SINGERS

The Madrigal Singers, established last year, was reorganized this year under the direction of Mr. Richard Corbin. Mr. Anthony Baressi, a practice teacher and a member of the Madrigals from Fredonia State, has given the group a great deal of assistance.

The group presented a Christmas program for several clubs, and performed at the band and chorus concerts, and for the Spring Concert. The Madrigals acted as a choir group in the Dramatic Club play, "Our Town." A repertoire of songs by Morley Gibbons and Di Lasso was prepared for the Music Festival.

RECORDER CLUB

A new club was organized last fall, the Recorder Club, directed by Mr. Corbin. An instrument entirely unfamiliar to the student body here, the recorder is a small instrument with a flute-like tone. The tonal ranges of the recorder are that of soprano, alto, tenor, and bass. Comparatively inexpensive, about twenty pupils purchased instruments and practiced with them every Wednesday. A duet was played as the first public performance of the club, for the Lakewood Women's Club.

ALL-STATERS

Nancy Hendler and Ken Schneider, both seniors were accepted as members of All-State ceremonies held at Albany. Nancy entered as an oboist in the All-State Band and Ken entered as a bass in the All-State Chorus. They spent three days in Albany, much of which was in rehearsal. Entertainment was furnished. The students were accompanied by Mr. Corbin.

Behind The Scenes

The stage crew enlarged its area of operation this year when it was provided the challenge for the senior play. In this presentation there are two sets of scenery on stage at once. When one set is to be used the other has to be lifted up into the scene loft, that area above the stage. Of course, all this must be done with all possible speed and quiet. They are also charged with the operation of the intricate machinery used in producing the many lighting effects used on stage. The use of this expensive apparatus requires special training and it is taboo for anyone else to set foot on the "bridge" where the operators work this equipment. It is due to the efficient work of this specialized group that many successful productions have been presented. Each concert, play, assembly, and program proved to be a field of new experience for this crew.

We would like to extend our many thanks to our new director Mr. Corbin for his assistance.

Stage Club, under the very capable leadership and untiring efforts of Mrs. Helgren, successfully created beautiful sets for the Senior, Junior, and Dramatic Club Plays, as well as the operetta and the various concerts presented by the music department. Scenery used for many of the high school assembly programs, and the Junior - Senior High School Variety Show for the Organ Benefit was very artistically designed.

Several different times during the school year we were assisted by practice teachers from Buffalo State Teachers' College.

For the first time in the history of dramatic productions in our school, it was necessary to use two complete scenery sets for the Senior Class Play "Harvey." This was largely possible because of our extremely versatile stage equipment.

We are very happy to say that several new cupboards and other aids to stage productions have been added this year. By adding a few pieces of such equipment each year we hope to make the production of programs more efficient and enjoyable and be able to preserve much valuable apparatus for future use.

"In The Glare Of The Footlights"

Election of officers was the first object of the Masqueraders. Sally Gross was elected *president;* Phillip Yates, *vice-president;* Mary Furlong, *treasurer;* and Sarah Farnsworth, *secretary.* Almost sixty students were enrolled in the club this year.

One of the first projects was to have a cupboard built back stage for costumes, make-up and other properties of the club.

In December the club presented two one-act plays in an assembly program for the senior high school. The boys presented a less dramatic play called "Little Prison." Mrs. Watson was assisted by Wendy Williams, student director, who did a very fine job.

Our three-act production, "Our Town," was given on April 20 for the public. "Our Town," by Thorton Wilder was the first play of its type produced by the student body here.

"Our Town" was done in costume, but without scenery or props of any type, these being left to the imagination of the audience with the help of a narrator, portrayed by David Lange. The hero of the play is the town itself typifying small town life. Mr. Corbin was responsible for the musical background for the play. He is very much interested in dramatics and was quite active in the Mummers at Fredonia State Teachers College. We also have the Stage Club to thank for its cooperation in making the scenery for all our productions.

Four Little Theatre memberships were purchased for use of the members of the club, and they were greatly appreciated.

We owe a great deal to our advisor, Mrs. Watson, who has given assistance and much of her time to the club.

NEWSPAPER CLUB

Let's have a newspaper! That was the general consensus of opinion the first part of the school year and due to the perseverance of Mrs. King and Mrs. Kistler, a newspaper club was started. The Newspaper Club has not restricted its membership to upper classmen; it has members from all the grades including reporters from the seventh and eighth grades.

June Fedorchuk was chosen editor and Donya Warner was assistant editor. Typists were Carol Carlson, Mary Lawson, Mary Ellen Warner, and Bessie Thor. Mimeographing was done by Dick Howgard, Larry Dawson, and Barbara Siegel. Priscilla Lane was in charge of music news. Marilyn Fagan wrote the Corridor Quotes which consisted of the latest romantic news and Larry Dawson and Mary Louise White handled the Sports department. In an effort to make the school newspaper more of an entire school project, the students were urged to contribute to the newspaper through creative writing, interviews, and various other columns. Mrs. Kistler proofread all material and Mrs. King acted as advisor. The newspaper "The Trojan Chronicle," appeared every month and was sold in the Junior and Senior high wings for ten cents.

Perhaps the highlight of the year was a personal interview with Lucille Ball when she was in town in February. The reporter who handled the interview was Larry Dawson, who proved that patience and persistance pay off! Other features during the year consisted of having two newspapers designated as "lucky newspapers," the bearer of which received a free newspaper the next month, or a refund of his money; superlative contests, and a television poll.

The newspaper club had a competitor from the junior high beginning about March of this year. The competition was in the form of the "Junior High Gazette" which seemed to have that spark which put it over in great style.

MATH CLUB

Seated Forward: Mr. Harp, J. Hendrickson, B. Jones. *Seated Back*: B. Moffet, R. Spitzer. *Standing*: G. Marsh. *Absent*: G. Bosko, R. Johnson, D. Starr.

MATH CLUB

Under the excellent guidance of Mr. Harp, the members of the Math Club, have grasped a greater knowledge of various factors pertaining to mathematics.

We have learned or improved our usage of the slide rule, which will aid all members who are planning to contribute their skills to the betterment of the various fields in which mathematics is involved. The importance of the slide rule in modern day mathematics cannot be overlooked for it is the principal means of quick calculations. The slide rule can be used whenever extreme accuracy is not necessary. By virtue of the particular principles upon which the slide rule is based, it is especially advantageous over calculations which would be very complicated if done by pad and pencils.

When the manipulations of the sextant were covered, we learned an immeasurable amount of data about the navigation by the stars and planets. The sextant has provided the basis for almost all navigation at sea. Without the sextant navigation is done by compass, and as Columbus found, the compass is not always too accurate. With the sextant and a knowledge of the stars and planets one can pinpoint himself simply and accurately anywhere on the seas.

"Admiral Harp," as he is known to a great many of us, is taking a correspondence course in astronomy; proving that even teachers have to be taught. With naval experience such as he has had, Mr. Harp is teaching the members of the Math Club many invaluable facts.

Thus, we mathematicians, hope to gain more knowledge of mathematics through Math Club; and also; to be able to use this knowledge to further our status in our chosen field.

FUTURE FARMERS OF AMERICA

The Southwestern Chapter, 223, received its charter May 7, 1955, at the State Future Farmers of America convention in Baldwinsville, New York.

During "Farm and Home Week" we attended Cornell University along with members of the Ripley School. Many of the exhibits and University buildings were visited.

The County Future Farmers of America Contest was entered by Fred Johnson and he won second prize.

We attended a "Calf Selection Day" where Fred Johnson and Stanley Peterson purchased pure bred Holstein calves. We sold Robson seeds and made some money for the chapter as well as learning the adopted varieties of this area. We aided in putting in 30 acres of grass seed on the school lawn.

The annual County Future Farmers of America Field Day was presented by us at Packard Field in Lakewood. Contests in weeding, cutting, track, softball, and tractor driving were held throughout the day.

During the summer vacation we attended several judging tours; the Black and White, the Artificial Breeders, the Guernsey, and the Southwestern Dairy tour which includes Chautauqua and Cattaragus counties.

The chapter then put up a booth at the Chautauqua County Fair, on Soil Conservation and received second prize. The booth was later exhibited at the Southwestern Central School, the Busti Grange, and the Lakewood Kiwanis Club.

During "Farm and City Week" the present officers presented a program for the Lakewood Kiwanis Club.

The present officers are: *president,* Daniel Evinczik; *vice-president,* David Sperry; *secretary,* Fred Johnson; *treasurer,* Edward Reasor; *reporter,* David Crandall; *advisor and teacher,* James Whitman.

FUTURE TEACHERS

For the fourth consecutive year the Future Teachers of America organization began its activities under the direction of Mrs. Deuink in September.

Thomas Flynn acted as presiding officer, with Bonnie Monfort taking over in his absence. Lee Ann Schnell kept the minutes and June Fedorchuk kept our finances.

We began our year's activities with open house for the Jamestown Chapter of Future Teachers. The evening was enjoyably spent with the showing of a movie on education, an open discussion led by a practice teacher from Buffalo State Teachers' College and refreshments.

Members of the club have gained considerable experience in the classroom by actively participating in the teacherette program set up by Mrs. Deuink, Mr. McKay and Mr. Swearingen.

Each member chose a grade either at Celoron or Lakewood Grade School, and spent a period each week assisting the teacher there.

We held our annual Christmas party at the home of Mrs. Deuink where we were privileged to have several previous members speak to us about their first year in college.

The senior who are members were pleased to be able to visit Fredonia and Buffalo State Colleges during which time we attended classes, met some students, and held discussion periods.

Lee Ann Schnell, June Fedorchuk, Sally Furlong, and Wendy Williams are members who plan to be going on to teachers' colleges next fall. Lee Ann is planning to attend Fredonia State; Wendy, Buffalo State; June, Jamestown Community College to complete the course elsewhere.

FUTURE NURSES OF AMERICA

For the second consecutive year the Future Nurses Club has been active at Southwestern. The success of the club can be attributed to the experienced and capable leadership of Mrs. McKay, school nurse, and Miss Lopus, guidance counselor. Sheryn Hansen was elected president, and when she was absent Marjorie Howbridge conducted the meetings. The minutes were accurately kept by Margaret Logan, and Mary Ellen Carlson kept the club informed on the current financial status.

Many projects were undertaken this year. As a money making project a bake sale was held. Our main project, however, was a First-Aid course under the very adept instruction of Miss Lopus. We all received our First Aid cards on completion of the course.

Experienced through the year by several members, were trips to the Well-Baby Clinic and the Salk Polio Vaccine Clinic where they assisted the doctors and the nurses.

Among the social events of the year was a visit by Bemus Point Central School, Future Nurses' Club. A party was held at Christmas and gifts were brought and given to a needy family to make their Christmas happier. At the end of the year a party was held.

Sheryn Hansen, Carolyn Nordland, and Lois Jones plan to enter nurses training in September. Sheryn is planning to enter Strong Memorial; Carolyn, W.C.A. School of Nursing; and Lois, Swedish Covenant in Chicago. Judy Stear is going into Medical Technology at the University of Buffalo.

NATIONAL THESPIAN TROUPE

National Thespian Troup No. 866 was granted a charter in the Celoron High School, February 1948. Since that time many Southwestern Central High School pupils have been initiated into its fellowship.

The requirements for membership include not only acting but stagecraft, make up, working on programs, tickets, student directing, properties, and ushering.

Troupe No. 866 has been an inactive but honorary troupe because they have too few members at one time for the production of a play by themselves. It is their goal that they may soon have a large enough membership to become an active troupe.

Thespian work encourages a student to learn the art of acting and the business allied with producing a play. The point system gives credit to all participants in a production, thus encouraging every member of the play production staff to do the best he can for the good of the whole.

ASSEMBLIES

Two committees composed of representatives from the senior and junior homerooms have functioned as Assembly committees under the supervision of Miss Lopus, assembly chairman.

Each group has chosen their professional programs for next year. The remainder of the assemblies will be made up of the regular type as chosen by the student body.

The entire committee has acted as a sounding board of student opinion, and a panel for discussion and recommendation.

The committees themselves offer valuable fields for the development of leadership, initiative, originality, and talent.

With the aid of the Music Department and the Student Council, the Variety Show in benefit of the Organ Fund proved to be the best student effort of the year.

The assembly committees hope to continue the Variety Show as an annual event, in conjunction with the Music Department and Student Council. The Variety Show can be the core of many worthwhile money-raising projects for the future to provide our school with additional desirable equipment

THE NATIONAL HONOR SOCIETY

The aims of the National Honor Society are to create a stimulus for scholarship, to encourage students to render service to the school and to the community, to encourage an extension of education, and to cause students to evaluate themselves more critically.

Members are chosen from the four dimensions of life - character, scholarship, leadership, and service. They are selected by the combined votes of the faculty and must continue to maintain an outstanding scholastic average to remain in the society.

The National Honor Society represents the fundamental objectives for which our schools are instituted and gives recognition to those who have attained most nearly the desired ends. No honor conferred by the school excels that of this society.

The chapter this year consolidated the old Lakewood and Celoron chapters and adopted the name of "Societus Honoris." Elowyn Penhollow was elected president and Wendy Williams as secretary. In order to bolster our treasury and gain the status of an active organization, we waged a campaign to sell beanies, which sold like wildfire.

The "tapping" ceremony was held in an assembly on March 19th by the incumbent members who were inducted as Juniors last year. They were: Wendy Williams, Nancy Hendler, Elowyn Penhollow, Gail Marsh, and Kenneth Schneider. Those who were chosen from the senior class this year were: Warren Swanson, Denis Simmons, Roland Johnson, Carolyn Nordland, Norma Davis, Georgia Bosko, Mary Furlong, and Carolyn Peterson. Those chosen from the junior class were: Margaret Logan, Kathy Erb, Rugh Ostrom, Jean Schneider, and Mary Eileen Wetzen.

From Batboy To Homerun Hero

JUNIOR VARSITY BASEBALL

The baseball season of 1955 proved to be a highly successful one for the S.W.C.S. Junior Varsity squad. After dropping three games to Falconer and Jamestown, the boys took a turn for the better, and under Mr. Erb, the new junior Varsity coach, the inexperienced eleven finished a five win season out of eight starts.

Hurling the spheroid from the mound was Ed Knoepfle, the former center fielder who took over when last year's pitchers left us. Needless to say, he won the game. Also pitching was Dave Traniello, following in his brothers footsteps; and another Carlson, Rolly Carlson. Behind the plate were Chuck Miller and Joe Scorse. Around the diamond were Dick Overberg at first base assisted by Jack Mathews and Ron Burstrom putting them out at second. At shortstop was Joe Scorse and Tom MacTavish. Third baseman was Jim Herron, and Tom MacTavish also helped out here on occasions. The outfielders were Jim Ellison, Ed Knoepfle, Roy Christy and Gordy Wahlgren. "Chip" Dawson was busy keeping score and caring for the equipment.

Joe Scorse had the good fortune to conclude the baseball season with the highest batting average on the team, batting in the high 300's.

Much experience was gained by playing on the Junior Varsity teams and it will prove to be a valuable asset when these players reach the 1956 Varsity Team.

There are many outstanding players on the J. V. team and they will do our school proud.

Go Team, Go; Let's Really Go

TRACK TEAM

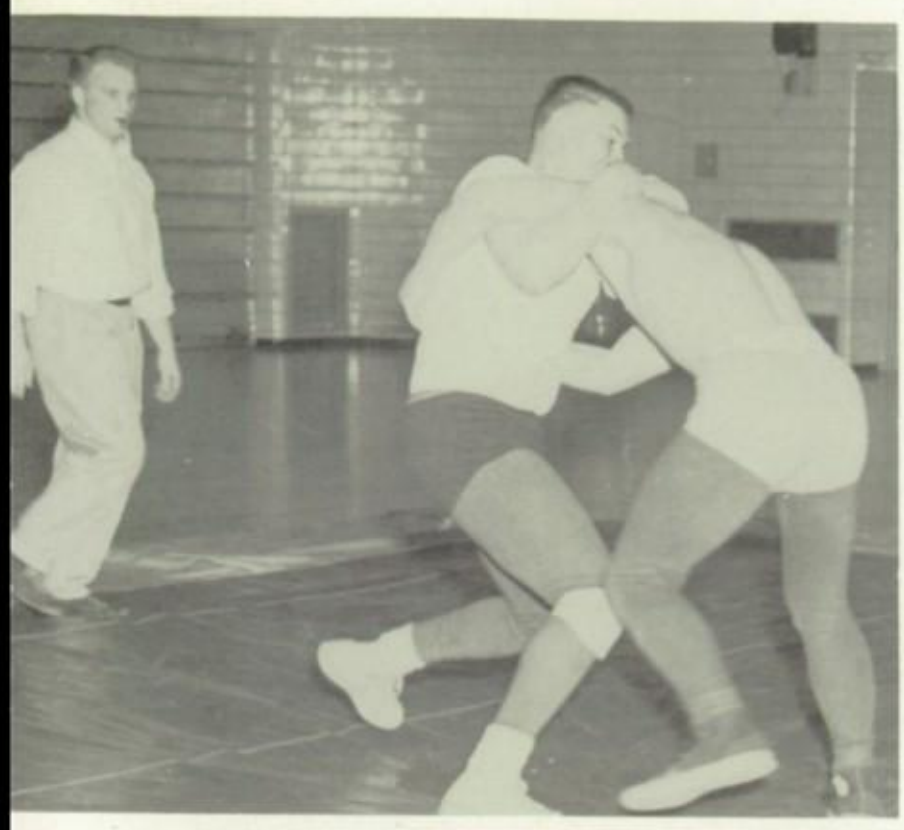
What is track? Track is running, jumping, and throwing; just what the 1955 track team did, under the experienced help of our Director of Athletics, Mr. Rushin. To the boys who give up their spring afternoons to participate, track means a lot. To feel their bodies flying over the track, and to see themselves set new records gives them a feeling of accomplishment. The feelings and goals of the boys are shown somewhat in the record of the 1955 track team.

Due to the lack of a pole vault pit at Packard Field, we were unable to hold any meets at home but we attended a five-school meet at Salamanca. Teammates bringing in honors were Wally Carlson, second in the 100 yard dash; Terry Ellis, second in the 220 yard dash; John Ford, first in the 440 yard dash; Roy Christy, third in the 440; Rollie Carlson, third in 880 yard dash. Next in' line for honors were Red Robbins, who placed first in the low hurdle, and Chuck Miller who placed second in the high jump. Our Relay team also brought home second place honors. We were at Falconer twice for the county and conference meets.

To top off the season the team travelled to Hamburg for the sectionals. Boys placing there were Terry Ellis, second in the 100 yard dash; Wally Carlson, second in the 220 yard dash; and John Ford, first in his heat of the 440. Gordy Robbins was again first at the hurdles, tying the sectional record in his first heat. The highlight of the day was the triumph of our relay team comprised of Wally Carlson, Dave Lange, Gordy Wahlgren, and Terry Ellis. In coming in first, the relay team brought home the relay trophy.

The track team hopes to have as successful a year in the 1956 season. This is highly possible, as there is some very promising material in the coming team.

May The Best Man Win



Referee Ross Dibias, "Butch" Sandberg of S.W. C.S. and opponent Gene Bue.

By taking two second places in the sectionals at Buffalo, setting the record for the time taken to pin a man, and placing two men on the undefeated list, the 1956 wrestling team ended the season in a very fine manner. Coach Clarence Olson, in his second year, groomed a fine team. Outstanding were Burgio, 120 lb. senior who, after setting the record of 16 seconds for a pin, ended the season with an undefeated record, as did Stevens. Traniello, wrestling in the 127 lb. class, finished his season by taking a second place in the sectionals. Sandberg, the 203 lb. roly-poly senior, ended the season with 7 wins out of 8 starts.

VARSITY FOOTBALL

Coach Joe Rushin says directly and sincerely that inexperience was to fault for Southwestern's poorest won-lost football record in eight years.

At the same time, he offers some encouraging predictions for 1956, and one glance at the 18 boys who earned letters tells the tale. Twelve are juniors, one a sophomore, and nine of them started all the Trojan games either offensively or defensively. If Rushin was concerned over lack of experience in 1955, it is not surprising he should hold out for far better prospects this Fall.

Southwestern's campaign would not have seemed so futile had not Rushin-coached clubs piled up such an auspicious record in his six previous seasons, including one 24-game unbeaten string.

Their two losses, to Dunkirk and Falconer, each represented some sort of landmark. Dunkirk's victory was the first grid meeting between the schools and the worst beating the Trojans had ever suffered.

That they were able to rebound and ring up three successive victories before hitting a snag with Falconer speaks well for the team spirit, which Rushin praised many times during the season.

The most heart-breaking defeat, to Falconer with a season high of 1,538 fans looking on at Packard Field, broke the Trojans' seven-year hold over their traditional rivals, built up since Celoron and Lakewood merged in 1947. It also cost them the Southwestern Conference championship they won in 1954.

Rushin refuses to call the 5-2 record poor, though it was the first time any of his teams had suffered two losses in one season. He doesn't think there was an individual star, but singled out Jerry Pomeroy for special praise. In Rushin's words, the hard-working senior fullback was "not the most spectacular but the most consistent" of his 30-odd players.

Larry Allen and Ed Knoepfle were Trojans selected on the Southwestern Conference All-Star first teams. Allen, always considered a crackerjack defensive player, blossomed into a top-flight ball carrier as well, and was the team's second-leading scorer with 31 points. Knoepfle impressed the balloting coaches in his second year as a first-string guard. Senior Tackle Wayne Anderson and Pomeroy were second-team selections, and Fallare Sandberg, another senior, was given honorable mention.

Probably the season's pleasantest surprise was the rapid development of underclassmen, and here Ernie Schuyler and Mike Harrison were outstanding.

Schuyler, who hadn't previously played varsity ball, was given the commanding task of quarterbacking Southwestern's intricate Split-T offense. He came on very swiftly at the end of the season, was particularly impressive against Falconer and led team scoring with 32 points. The year's experience should contribute much toward making him a polished field general in 1956.

In Harrison, the Trojans had their first authentic broken-field threat since the storied days of Jack Wigley and Tom Naughton. Mike broke the Gowanda game wide open with two 60-yard touchdown runs, and the footing on that dreary, rainswept night was anything but secure.

Allan Capron was another of Rushin's younger stars. Only a sophomore, Allan earned his starting spurs in the Dunkirk battle and was seldom out of the lineup thereafter. He was a product of Sam Restivo's freshman team of 1954.

Game by game, the season went like this:

SALAMANCA—It was an impressive opener under the lights at Veteran's Memorial Field. Schuyler scored twice, Knoepfle and Joe Scorse turned in stickout defensive games and the Trojans captured a 19-0 victory over Salamanca and its new coach, Harry O'Neil.

DUNKIRK—This would best be forgotten. Harrison shook loose for the lone Trojan score in a 30-7 shellacking.

FREDONIA—Surrendering the first score, SW rebounded on a rainy, dismal night for a 30-6 win over their bitter Conference rivals. Allen and Schuyler starred and Scorse received a shoulder injury that was to sideline him the remainder of the season.

GOWANDA—Mostly Harrison and a 26-7 victory.

BROCTON—Dave Lange and Ronnie Burstrom sparked the Trojan JV's to a 12-0 win over their more experienced Northwestern Conference opponents.

FALCONER—Not to be denied a Conference title, Falconer swept to a 21-0 triumph behind Vince Boyd, Clark Maloney, Jim Fink, and a rock-ribbed defense, that yielded only 21 yards rushing.

NORTHERN AREA—A 27-18 victory, with Pomeroy bulling across for two touchdowns, snapped a 13-game undefeated string manufactured by the Sugar Grove, Pa., powerhouse.

Letter-winners by class included: Seniors — Danny Evinczik, Wayne Anderson, Falare Sandberg, Larry Allen and Jerry Pomeroy; Juniors — Jim Garrison, Ed Knoepfle, Gene Nelson, Rollie Carlson, Ernie Schuyler, Mike Harrison, Bruce Gunton, Chuck Miller, Ronnie Burstrom, Dave Lange, Joe Scorse, and Manager Larry "Chip" Dawson; Sophomores— Allan Capron.

Although the squad will be losing a lot of its weight in losing the fine tackles Wayne Anderson and Butch Sandberg; Jim Ellison and Al Capron, excelling in agility will not be halted. The big threat to the opponents in scoring next year will be Ernie Schuyler's ability to reach the goal post.

The coaches feel that with the experience gained in a rough year like this, next year's squad will prove very successful.

FRESHMAN FOOTBALL

With Sam Restivo elevated to an assistant varsity position, Flash Olson ably took over the freshman reins.

Although the amount of points scored isn't high, the boys played fine games. Quarterback Rhoda did a fine job behind the lines, while Don Siegel adeptly aided in holding up his side of the line. Hopeful J. V. Cort Kelsey will be missed as he is leaving for a private school. Al Stranigan, Joe Venus, Jack Knowlton, and "Little Bob" Lange also were outstanding in play.

A rewarding season, not only in points scored and years gained, but in the molding of character and sportsmanship, these boys will be of great advantage to the varsity squad. Congratulations to the boys and their coach!

EIGHTH GRADE FOOTBALL

A small game schedule was planned for the eighth grade football team for the 1955 season, with only five games on the docket. The first game, scheduled with Sugargrove was lost. However, it was felt that the earlier season start of the Pennsylvania school had much to do with the defeat of the eighth grade gridmen. With the added practice available to the Penn boys, it was highly understandable. The second game was lost for the want of an extra point, the score being 7-6, in favor of Washington.

The third game turned the tables for the Baby Trojans, with a victory of 18-6 over the Falconer eighth grade team. The next game was slated against Sugargrove again By this time, the Penn boys had proved to be the best team seen in that school for a long time. A hard game, the victory stood at the hands of Sugargrove.

Due to weather conditions, the last game was cancelled. An intersquad game, which proved highly beneficial to the practice of the boys, was held in its place.

Boys who showed a great deal of improvement throughout the season were John Forrester, Chuck Larson, Micky Yates, Dave Hyde, Gary Frazer and Mike Yuchnitz. During the season Jack Knowlton was moved up to the Freshman team. Mr. Harp was the coach for the boys again this year, the tenth year he has coached a junior high team.

FRESHMAN VOLLEYBALL

Our newly organized Freshman Volleyball team were not faced with the prospect of a tournament this year. Under the fine direction of Mr. Olson, coaching his first year in volleyball, the boys were instructed in the proper method of playing the game.

In order to gain game experience, they played with the varsity team several times. With their early training in volleyball, they should be in good shape for the Varsity next year.

VARSITY VOLLEYBALL

This year's team had two handicaps to over-come before it was able to go into the sectionals. The first block was the shortage of time in which to prepare the team for competition. Two and one-half weeks is little time to spend in training. The second was the loss of one of its best spikers, Ken Schneider, due to illness. Also on Naval Reserve cruises were Larry Allen, and Jerry Pomeroy, expert setters, who left just before the Sectionals.

The team was as follows: spikers were Ken Schneider, Tony LaPlaca, Jack Mathews, Dave Lange, Jim Ellison, Joe Swearingen, Larry Dawson, Pete Turcotte, and Tom MacTavish. Setters were Dick Vanham, Larry Allen, Jerry Pomeroy, Dave Traniello, Jim Herron, Chuck Trowbridge, Bruce Gunton, Gordy Wahlgren, Dave Till and Bruce Bradford. The team was taught the finer points of the game by Coach Shevalier, who has coached Volleyball here for nine years.

Our Volleyball Champs!

VARSITY VOLLEYBALL

Before the County Tournament we had a practice game with Brocton and three games with the alumni which helped show up the weak points that we needed to work upon.

An assembly was held the day before the County Tournament in order to acquaint the student body with the game. Mr. Shevalier announced the game, describing some of the more important rules. Larry Dawson and Don Rhoda refereed and kept score while other members of the third team helped at the net during the games played between the first two teams for the benefit of the students.

At the County Tournament at Jamestown High School, we fell under the hard spikes of the Cassadaga Volley team to lose the first game of the day. Cassadaga Valley went on to win the tournament. The second game with Jamestown was also lost, and with that we began to see the championship fade into the distance. The third game turned into a victory for the Men of Troy; we were pitted against Fredonia. In the last game we were matched against Dunkirk, the only other AA team there. Our victory over them made us eligible for the Sectionals, to be held at Dunkirk.

At the Sectionals we were matched against Frontier. The first game we dropped 15-7, the second we recovered to win 15-10, but the recovery was not long lasting as we dropped the last game 15-4, and with it the section VI A. A. Crown. However, we hold a very optimistic viewpoint on next years outcome.

VARSITY BASKETBALL

Going into the 1955-56 basketball season, Coach Gene Munson was faced with a serious problem: one returning letterman, and only three others with any Varsity experience. The returning letterman was the sharpshooting guard, Dick Vanham. The Trojan Varsity was aided by a transfer from Chautauqua, Dan Flanders.

As in the previous season, the highlight of the year was the Trojan's victory over the Red Raiders of Jamestown. This contest was held in view of a near capacity crowd in the Hunt Road Gymnasium. It seems that Southwestern holds a home court jinx over Jamestown here in the new school. The score of this game was 55-52.

Other outstanding victories were attained at the expense of Falconer, the score being 60-58; and the Warren Dragons, 59-52.

The won and lost record this last season stands at 6-12. Many of these defeats were handed to the Men of Troy by very close scores. Some of these were Cassadaga Valley, Fredonia, and Gowanda, the greatest margin being two points.

Scoring leaders for the season were Dan Flanders and Ronnie Burstrom, both being one-handed shot artists. When the scoring ability of this duo was combined with the superb floor play of Dick Vanham, Jerry Pomeroy, and Joe Scorse, along with the rebounding prowess of Ernie "Tex" Schuyler, the result was a well-rounded combination to be reckoned with. The services of Rollie Carlson, Jim Garrison, Jack Mathews, and Dick Overberg, when needed, helped greatly.

Another item has been added to the teams uniform this season. This is a pair of bench capes, colored in bright red with the name Trojans printed in white letters. These made our team one of the most colorful around the area.

Next year Coach Munson can look forward to having four returning lettermen, plus a good crop of promising J.V. players moving up to the Varsity. With this combination, the Trojans can almost definitely be assured of a first division finish in the Lakeshore League for S.W.C.S.

JUNIOR VARSITY BASKETBALL

The 1955 - 1956 J. V. Basketball Squad, coached by Mr. Ed Smith finished the season with a 6-12 record identical to that of the Varsity. This however, is not an indication of the team spirit the boys showed while on the court.

In many games, although, they were a few points behind, the J. V.'s hustled right up till the final buzzer, regardless of the outcome.

On Saturday, January 18, the Varsity and the Junior Varsity enjoyed a trip to Buffalo. In Memorial Auditorium we saw two thrilling games. In the opener, Niagara downed St. Bonaventure and in the main game Dayton beat Canisius.

Many of the J. V.'s showed much promise and as future Varsity players we are expecting great things of them. Congratulations are due the J. V.'s for their good showing in their games played prior to the Varsity games. Much credit is also given to Mr. Smith whose competent and able direction was highly appreciated by the members of the team.

BATON CLUB

An almost-new club in Southwestern, the Baton Club is comprised of a small group of girls interested in twirling the gay batons. The girls spent a great deal of time enlarging their prior experiences with the batons, practicing each week in the gymnasium.

The Baton Club performed at the Gym Club Exhibition as its first public appearance this year. The girls spent a great deal of time in preparing for marching in the Memorial Day parade, practicing with the band and making their satin lined red corduroy skirts.

GIRLS INTRAMURALS

The girls intramurals program consisted of basketball and volleyball games played Tuesdays and Wednesdays after school. Teams consisting of freshmen, sophomores, juniors, and seniors played each other until by a process of elimination a champion team would be left. Miss MacMillen was in charge, assisted in timekeeping, scorekeeping, and refereeing by "S" Club girls.

GYM CLUB

Gym Club is made up of a group of the senior high boys and girls interested in gymnastics. This year a few freshmen with exceptional gymnastic ability joined the group. A comparatively new club, this was the first year the members received emblems. The group worked at dancing and calisthenic drills under the capable direction of Miss MacMillen. The pieces of equipment available are the rings, the Swedish box, parallel bars, mats, and the trampoline.

In November the girls were host for a gymnastic playday. Schools attending were Jamestown, Bemus, Panama, Frewsburg, Randolph, and Falconer. The entire club held an assembly and an evening Exhibition to display the stunts partaken by the group.

Boys' "S" Club

This club is comprised of boys who have won letters in any one of the major sports. The requirements for obtaining a letter differ with each sport. For example, in football the points are based on the number of quarters played; in wrestling, it is the win-loss record that counts. Blue jackets are awarded the boys who have earned two letters in one sport or a combination of three in different sports.

This past year under the direction of our advisor, Mr. Rushin, we sold white wind breakers, trimmed with the design of a Trojan warrior, to the student body.

The Boys "S" Club sponsored dances after the football games and some of the basketball games, and with the money raised, the jackets for the two-lettermen were purchased.

We extend our gratitude to Coach Rushin for all he has done to help the "S" Club in its successful accomplishments.

Girls' "S" Club

This year, because of the large number of girls in the Girls "S" Club we decided to have the Inner Council as the governing body of the "S" Club. To belong to the Inner Council, a girl must have earned at least one letter. Letters are based on points earned during the year. A person can earn points by taking part in the various "S" Club activities such as intramurals and play days. When two letters have been awarded the member is entitled to an "S" Club jacket.

At the first meeting of the Inner Council we elected officers and they were as follows:

President: Connie Nelson
Secretary: Mary Louise White
Treasurer: Agnes Anderson

The Girls "S" Club has had a profitable year under the capable leadership of our Gym teacher, Miss McMillen, and our President, Connie Nelson. We had a Farmers' Formal in March, which was a success and we have conducted some of the dances after the basketball and football games.
